Profile

I'm a 16-year-old frontend developer from Vushtrri, Kosovo, passionate about building modern, responsive, and user-friendly web applications. I specialize in HTML, CSS, Tailwind, JavaScript, and React. I've already worked on two real-world projects - Pyet Doktorin and Dollapi Im - through my role at the startup company PrimeLine. I enjoy solving problems through clean code and continue to grow my skills every day.
